

Napoleon's Wallpaper (Arsenic) VIDEO QUESTIONS

After watching the video, answer the following questions on a separate sheet of notebook paper. If you are not able to watch the video, you may research the answers on the Internet.

This information will also be on the test.

1. What is "inheritance powder" and why is it called that?
2. What are the symptoms of arsenic poisoning? What led some to think that Napoleon had been poisoned?
3. What is the connection between Scheele's green or copper arsenite, its use on wallpaper, and numerous mysterious deaths?
4. What is the name for the test for arsenic?
5. Use a labeled diagram to explain how the test for arsenic works.
6. What was determined to be the cause of Napoleon's death?
