RE: DVD Brain Games Assignment

You'll be watching an episode(s) from the DVD *Brain Games* – for example, *Pay Attention! Watch This!* or *Remember This!*

On a separate sheet of paper, answer these questions about the episode that you watch.

- A) What was the objective of the investigation in the DVD? (10 points)
- B) Describe two "experiments" that were used to test the objective and the results that were found. (40 points)
- C) Write a summary of at least four complete sentences in your own words. (40 points)
- D) Do some more thinking about the investigations in the DVD. Write at least one question that watching the DVD raised in your mind. (10 points)

I love you!
