Web Post Comment Ideas

- S** – Struggle: What did/do you struggle with and what are you doing about it?
- T** – Triumph: What did you do well this week and why?
- A** – Application: Make an application of what you learned this week.
- R** – Reflection/Rate: Reflect and rate yourself from 5 – 0 stars on either the week, or something you've done in the week & tell why.
- S** – Serious questions about class content or class format, etc., or serious and good answers to other students' questions
- **** If you just say you enjoyed something in class or that you liked something, etc., you will only receive partial credit for your web post comment – probably a 65.
